In the event that the motions are not taken under submission without oral argument, the parties may attend the hearing in person or, alternatively, participate telephonically. **IT IS SO ORDERED.**

DATED: August 21, 2014

  
Hon. Jeffrey T. Miller  
United States District Judge

cc: All parties

<sup>1</sup>The court notes that the motion to amend is proceeding on behalf of only Plaintiff Aaron Greenspan. By separate order, entered concurrently with this order, the Court issued an OSC to Plaintiffs Think Computer Foundation and Think Computer Corporation re: failure to obtain legal representation. The court further notes that a brief review of Plaintiffs' motion to amend indicates limited opposition to its filing. In the event there is no opposition to the filing of the Second Amended Complaint, the court encourages the parties to file a stipulation permitting its filing.
